## Ability Level

What level would you consider your child to be?

|         |   |                          |
|---------|---|--------------------------|
| Level 1 | First time, you've never skied or snowboarded before.                                       | <input type="checkbox"/> |
| Level 2 | You can control your speed and come to a stop.  | <input type="checkbox"/> |
| Level 3 | You can link turns in both directions on easy terrain.                                      | <input type="checkbox"/> |
| Level 4 | Comfortable on all green and some blue terrain, maybe starting to do some freestyle tricks. | <input type="checkbox"/> |
| Level 5 | Comfortable on all blues and some blacks. May ski or ride in Terrain Park.                  | <input type="checkbox"/> |
| Level 6 | Comfortable on any slope, any time, any conditions.   | <input type="checkbox"/> |
